WHAT TO EXPECT

The purpose of supervision is your growth and competence as a therapist and to improve outcomes for your clients. Your practicum will be more focused on training in play therapy; specifically, Child-Centered Play Therapy (CCPT). Your internship will be more focused on providing CCPT. The following are areas/topics we will cover:

PRACTICUM

Informed Consent,
Confidentiality,
HIPAA,
Intake,
Treatment Planning,
Assessment and conceptualization,
Documentation,
Using and scoring of the Child Behavioral Checklist (1 ½-5)(6-18), Youth Self-Report,
Developmental Assessment of Young Children (2nd Ed.), the Developmental Profile, and the Parent Stress Index (4th Ed.),
Play therapy session observations/shadowing,
Mini-practicum,
Assigned readings, and
Play therapy training.

INTERNSHIP

Intake,
Treatment Planning,
Assessment and conceptualization,
Documentation,
Using and scoring of the Child Behavioral Checklist (1 ½-5)(6-18), Youth Self-Report,
Developmental Assessment of Young Children (2nd Ed.), the Developmental Profile, and the Parent Stress Index (4th Ed.),
Play therapy session observations/shadowing,
Mini-practicum,
Assigned readings,
Play therapy training,
Play therapy sessions, and
Licensure requirements.

Effective Date: 06/01/25
